Continuation of 2. NOTE: Applicants submitted an entire new claim set for consideration. However, the claim set is incomplete (pages 3 commusion of 2. NOTE. Applicants submitted an entire new Gain Sector consideration. Flowever, the Gaint Sects incomplete (part and 5 are missing). In addition, newly submitted claims contain non-elected subject matter and raise new issues for consideration. Continuation of 3. If the newly-submitted amendment had been entered, it would have overcome the following rejection(s): The rejection of claims 30-37 under 35 U.S.C 112, 2nd paragraph for reciting "substantial binding affinity".

Continuation of 5. The submitted amendment, if entered, would NOT place the application in condition for allowance because: New claims as well as existing claims use language that does not limit the scope of the claimed invention. While the proposed amendments do provide some limitations as far as, for example, solubility, the breadth of the claims is still large enough to encompass numerous compositions comprising the insoluble drug and blood protein.
